ADVICE ON RESIDENCY INTERVIEWS

Interview with confidence.

Tuesday, October 26, 2021

7:00 p.m. - 8:00 p.m. EDT

Zoom Virtual Meeting

Join us for a discussion with residents from across the nation who will provide advice for medical students preparing for the upcoming virtual anesthesiology residency interview season.

The panel will also discuss how applicants can evaluate a program's culture and commitment to diversity, equity and inclusion. Attendees will have an opportunity to ask questions towards the end of the event.
